

L801 COLOR LABEL PRINTER BUNDLE

ITEM#: 04AFNL801PK

This bundle includes L801 Color Label Printer, XL Rewinder and 62" L x 24"W Workbench

The easy-to-use L801 Industrial Color Label Printer is powered by Memjet Waterfall Printhead Technology®. Built with a stationary printhead for ultimate speed, and a 1.25 liter ink capacity for large print runs, the L801 saves you both time and money.

The L801 Memjet label printer is an industrial web-fed inkjet solution, ideal for short-to medium-range print runs for retail, inventory, and product identification applications.

The L801 Label Rewinder makes managing your labels easy by conveniently rewinding your labels onto a standard 3" core. It's a great, recommended addition for companies that experience high usage or the need for labels to be on rolls for use in other processes.

Powered by **memjet**
