Stand Alone or Modular Use
Shown with optional Punch100-30 support for stand-alone use

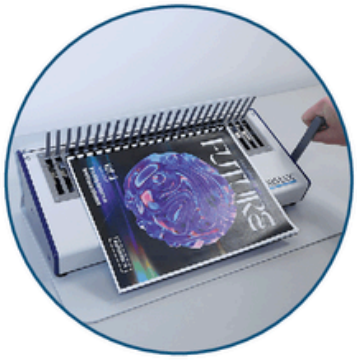

- Manual comb binding system
- Binds up to 480 sheets
- Works as stand-alone unit or with Punch100
- Heavy duty construction and compact design
- Precision closure control

FORMAX®

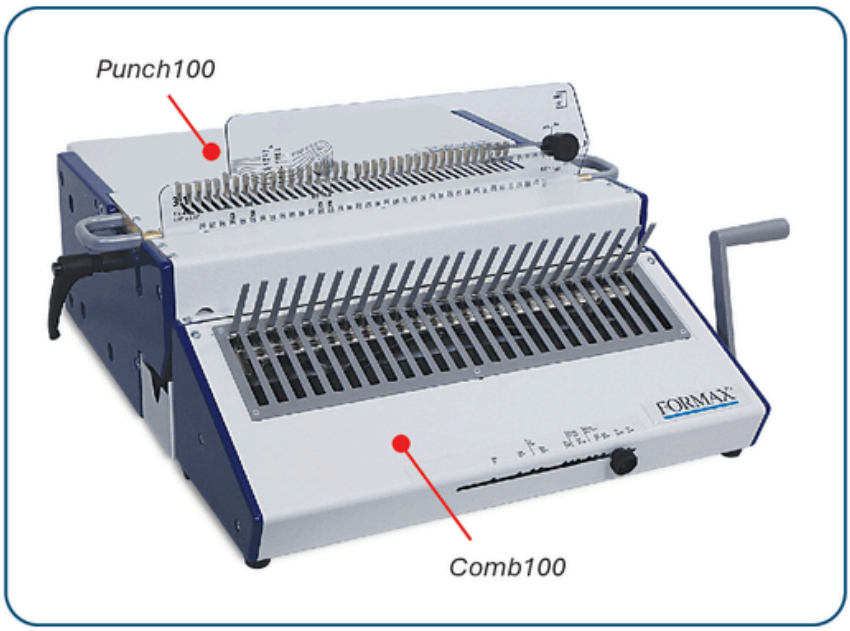

The **Comb100 Manual Comb Binding System** is designed to produce bound documents quickly and easily. With comb bindings, pages can be added or removed, without damage to the document or the binding itself. The Comb100 features a **lever-activated comb open/close mechanism** ensures a secure bind on booklets up to 480 sheets. Its modular design allows for use on its own or with the **Punch100** for a complete punch and bind system.

Quick-Adjust Comb Dimensions
Change settings in seconds

Precision Closure Control
Quick, easy comb opening and closure for up to 480 sheets

Modular Use with Punch100
For seamless punching and binding operation, simply attach to the front of the Punch100 using the integrated mounting pins
