### Change from Perf to Score in Seconds!

Top Friction Feed

Rotary Perforating

Rotary Score

## A simple, affordable manually operated perforating and scoring machine.

The COUNT PerfMaster Dash manually operated perforating and scoring machine is ideal for lower volume, budget-conscious applications. The simple manual hand-crank operation makes the PerfMaster Dash easy for anyone to use.

The top friction paper feed system is efficient and easy-to-use. Feed single sheets, coated stock, multi-part forms, and open or glued edges. The hand crank can produce thousands of sheets per hour with ease.

# PerfMaster Dash

A simple and affordable solution for lower volume perforating and scoring.

## Features

- Easy-to-use hand crank operation is simple and affordable.
- Removable receiving tray and magnetic paper feed guide rails make for easy mobility and tabletop use.
- Quickly change from perforating to scoring in seconds.
- Easily set Perf/Score depth control.
- 18" wide feed capacity.
- Feeds single sheets, coated stock and multi-part open or glued edges.
- Magnetic paper guide rails on the feed table and receiving tray can be easily adjusted depending on the size of the paper.
- Optional support stand available for easy mobility.
- Clear top lid provides visibility and easy internal access.
