

Increase productivity by 20% when running 12K envelopes per hour*

Auto-synchronize all conveyor settings with 1-dial adjustment

High output - smaller footprint compared to others on the market

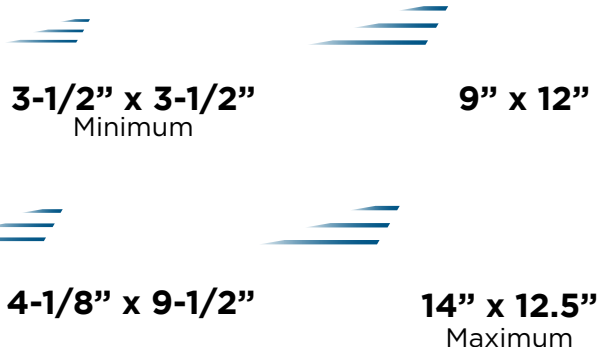

The envPrinter™, CBENVPI, is a versatile and ideal solution for high-volume print and direct mailing operations. The unit is perfect for producing short-run, full bleed/non-full bleed variable data jobs converted to PDF, fast, reliably, and profitably. With the new auto-synchronization feature, both the feeder and the exit conveyor speed automatically synchronize when the conveyor speed is increased. The envPrinter™ system provides everything needed to print and customize up to 12,000* #10 envelopes per hour.

Features

- Up to 12K envelopes/hour*
- Single control auto-sync
- HP Thermal Inkjet Technology
- Pigment based HP Ink
- Water Safe Full-bleed printing
- PMS Color Matching Technology

Runs window and standard envelopes

Workflow

The DFE (Digital Front End) and RIP includes ICC color profiles, built-in color profiles, plus, PMS color matching for consistent color on every job. All software and machine controls are preloaded on an included computer platform.

Specifications

Speed Env. Per Hour*	Up to 12,000
Print Head Technology	HP F1-1000 Inkjet
Max. Print Width	11.7"
Min. Feed Size	3.5" W x 3.5" L
Max Feed Size	14" L x 12.5" W
Max. Thickness	1/8
Max. Resolution (DPI)	1200 x 1200
Feeder Type	Bottom Fed Friction
Connections Required	1 Ethernet, 110vAC/12 Amp
Table/Bench Included	Yes
Computer & Monitor Incl.	Yes
Software Supplied	Xitron Navigator
Power Requirements	110vAC
Working Space	Right to left full bleed
Feeder Capacity Env.	Top feed holds up to 500
Accuracy of Feeder	1/32"

*Speed tested using #10 standard envelopes and set to 600 DPI 3 color printing. When compared to other similar printers claiming up to 10,000 envelopes per hour, the envPrinter™ provides 20% more throughput.

envPrinter™ HP Performance Bundle Includes:

- HP Print Engine Output Conveyor with Integrated Feeder
- HP RIP/PC Platform
- Full set of pigment based inks: 1.2L total of CMYK
- Includes an industrial workbench with storage shelf
