BannerBug®

Available as a single or double-sided display, the top-selling BannerBug® comes in a range of sizes, from the pint-sized Desk Bug® to the 9.5' Giant Bug®.

BannerBug® displays are sleek and modern. They roll up in seconds, and when new graphics are needed, they are quick and easy to change with the low-profile velcro top rail. Widths range from 8.69" (220mm) to 114" (2896mm).

The base is silver with a black end cap. A black base color is available for special order. All BannerBug® displays come with a nylon carrying bag. Optional hard cases are available.

Suggested print media: Printable Eclipse™, EarthSmart™ Eclipse
