FLAT CLINCH
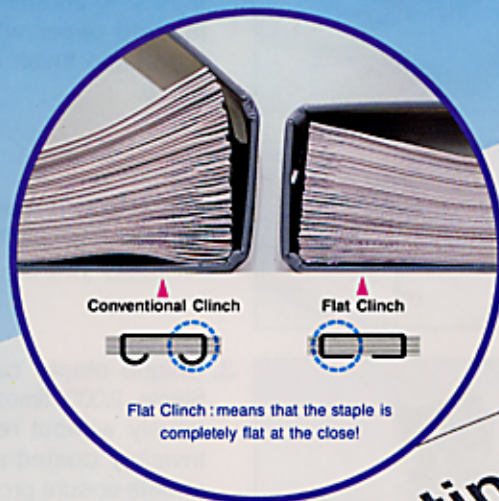

ELECTRONIC STAPLER
EH-20F

2,000 continuous stapling action !
Reliable high-performance, commercial electronic stapler.

Conventional Clinch — Flat Clinch

Flat Clinch : means that the staple is completely flat at the close!

Sales & Marketing
Project No.781

Ideal for commercial stapling (Hotels, Hospitals, Travel Agencies, Banks, Insurance Companies, Airline Companies, Small office, etc···)
Fast, neat and continuous high performance.

6 major features of Max EH-20F
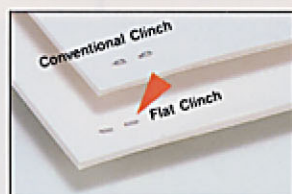

1. Flat-Clinch mechanism enables you to staple from 2 to 20 sheets of 20 lb bond paper with clean flat staple finish at the close.
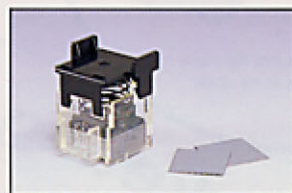

2. Motor driven mechanism delivers high performance for many years.
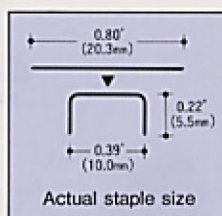

3. Unique staple cartridge! Staple 2,000 times continuously without reloading. Invisibly coated staple sheets ensure proper feed and rapid stapling action.
(Use Max No.20FE staple cartridge only)

4. User friendly jam clearing latch lets you clear jammed staple instantly.

5. Adjustable throat depth for ideal stapling position from 1/8" (3mm) to 3/5" (15mm).

6. Easy snap-in 2,000 load staple cartridge.
