MULTI-LOAD SERIES

MULTI-LOAD SERIES

AUTO-LOAD BLADE CARTRIDGE

Preloaded with **premium snap-off blades** crafted from superior Japanese tool steel for unmatched sharpness and longer edge retention.

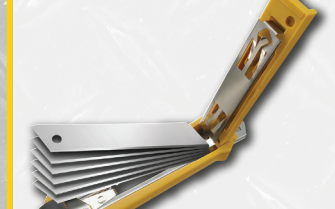

AUTO-LOCK BLADE SLIDE

Achieve **quick blade activation** with the auto-lock blade slide. The slide also **easily ejects used segments**. Simply **push the blade slide forward** remove the used blade. **Pull the slide back** to seamlessly load a fresh blade.

FIBERGLASS- REINFORCED HANDLE

The durable **fiberglass-reinforced handle** withstands harsh jobsite environments. Every cut is backed by a sturdy stainless-steel channel for blade support.

STORES UP TO 5 BLADES

Each handle **holds up to five (5) blades** for hours of continuous cutting. **9mm model** pre-loaded with two (2) **Ultra-Sharp Black Snap Blades**. **18mm model** pre-loaded with three (3) tough **Silver Snap Blades**.
