Enclosed Bulletin Boards

Minimal Structure, Maximum Style.

Silhouette provides an upscale appearance for a wall-mounted, enclosed bulletin board with a sleek, contemporary look that maximizes the viewing and display area. All frames feature the durability of aluminum and now include a powder-coated style available in either Black or Satin. Silhouette is the design-sensitive message center that can match a variety of interior spaces.

Silhouette is sleek and thin with an overall thickness of 1 7/8" deep and features a convex framed top and bottom with minimal side frames.

- **Innovation** – Silhouette's revolutionary modular design allows for perfect viewing angles and the flexibility of no designated top or bottom – so the hinged door can open either to the left or right.
- **Strong** – durable aluminum extrusions and locking 1/4" tempered glass ensure the security of the enclosed messages. With Ghent's 10 year warranty, Silhouette is built to last.
- **Configurable** – Silhouette's modular design allows numerous units to be mounted side by side.
- **Full View** – unframed glass door and minimal sides reveal everything on display.
- **Aesthetics** – a convex-shaped top and bottom with minimal sides create a clean, modern style. The unframed glass door adds to the uncluttered appearance. Available in a variety of tackable surfaces and two frame finishes.
