Smartest Companion

- Designed to match the smooth and modern trim of the modern touchboards, the Smartest Companion coordinates seamlessly in any setting, adding flawless style and a finished appearance to your classroom, boardroom, or conference room.
- Made with smooth contrasting anodized aluminum, the durable trim is joined with sculpted plastic corner pieces.
- Available with a variety of surface options including porcelain steel markerboard, projection gray porcelain steel markerboard, natural cork tackboard, Rubber-Tak® tackboard, and more. Call for details on other surface options.
- TAA compliant. Manufactured in the US of foreign and domestic materials.
- For interactive projectors with strict flatness requirements, we recommend the Interactive Projector Board or Projection Whiteboard with Polyvision® duo Surface, providing guaranteed results for projectability, erasability and durability.
