

iJetColor™ 1175

Item#: 04PWIJET1175

Workflow

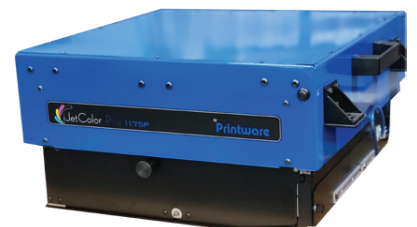

The DFE (Digital Front End) and RIP includes ICC color profiles, built-in color profiles, plus, PMS color matching for consistent color on every job. All software and machine controls are pre-loaded on an included computer platform.

Essential Spares

The HP FI-1000 printhead provides customers millions of copies. Replacement printheads and other spare parts are available.

PRINTS UP TO 50k ENVELOPES A MONTH!

Introducing the iJetColor™ 1175, an innovative, compact designed envelope press that incorporates HP's PageWide full color thermal inkjet technology into the industry's most elegant envelope feeding system. The HP FI-1000 printhead generates full color images using pigment-based durable ink that is fade, scratch, and water resistant. Coupled with proven economics, this unit delivers the industry's lowest variable cost inkjet solution for unmatched profitability. The iJetColor™ 1175's easy to use feeding system has been designed to consistently and accurately feed envelopes. The iJetColor™ 1175 is a versatile solution for high-volume print and direct mailing operations that need to produce short-run, full-bleed variable data jobs fast, reliably, and profitably. The iJetColor™ 1175 system provides everything needed to print and personalize up to 6,210 #10 envelopes per hour.

iJetColor™ 1175 HP Based Envelope Press Performance Bundle includes:

- 1175 HP Print Engine Output Conveyor with Integrated Feeder with Table
- HP RIP/PC Platform with touchscreen monitor and machine control interface
- Full set of pigment based inks: 1.2L total of CMYK
- First year warranty

Specifications

| | |
|--|---|
| Max Feed Size | 12" x 13" |
| Max Print Width | 11.7" Width |
| Minimum Feed Size | 3" x 3.5" |
| Minimum Feed Thickness | 1/8 Inch |
| Automatic Feeders | Alignment bar for edge accuracy of +/- 1/16 |
| Speed (#10 envelopes) Fixed belt speed 12 ips | From 4,285-6,210 env/hr |
| Resolution | High Resolution 1200 x 1200 DPI |
| Optical Density | Rich Black > 1.2 Optical Density |
| Ink Tank Capacity | 235 ml C, M, Y and 498 ml K Total 1.2L |
| Color Matrix | Up to 16.8 million available colors |
| Bundled Computer RIP Platform | Dell Intel Cor i5 w 16 GB RAM, 500 GB SSD drive <small>*subject to change</small> |
| Connections Required | 1 Ethernet, 110 VAC ≥ 12 amps |
| Pre-Installed DFE + RIP | Navigator RIP/Server Configuration, ICC color profiles, Spot Color Matching, Machine controls, Cost calculator. |
| Working Space | Right to left, full-bleed. |

Features

- HP Thermal Inkjet Technology
- Pigment Based HP Inks that are Water, Smudge and Light Safe
- Full-bleed Printing and PMS Color Matching Technology
