

- Swing-out side rulers can be used one at a time, or together for oversized papers.
- To ensure a clean cut, apply pressure over the cutting head while trimming.

Store trimmer in backpack, messenger bag, or roller for on-the-go trimming.

Replacement cutting head and cutting strips are available at retailers and at www.purplecows.net.

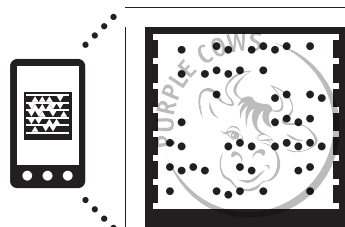

Look for model numbers 7601 and 7602.

- To change cutting style, position the cutting head in the dock at the end of the clear cutting guide.
- Do not attempt to turn the knob while cutting head is on the clear purple cutting rail.
