Quartet® Wide Format Projection Screen, 16:9 Aspect Ratio, 52" x 92", Tripod Base

85568

Product Description

Quartet wide format projection screens are the best backdrop for your media based business presentations. The images on the screen are more crisp than if projected onto a wall or whiteboard surface, and the wide format screen ensures every inch of the picture is perfectly displayed.

Features

- Hi-res projection screen optimizes both still and video images
- Suitable for professional usage. Provides clear viewing from any angle.
- Wide format 16:9 aspect ratio is ideal for projecting TV and movies
- 52" x 92" overall screen size
- Matte white screen surface is made of durable vinyl and can be washed with mild soap and water
- Tripod base keeps screen stable and is easy to set-up and take down
- Screen collapses into a portable, steel carrying case for safekeeping while not in use
- 5 year warranty
