

Dare to Compare Royal Sovereign vs. Seal!

Royal Sovereign Wide Format Roll Laminators are a perfect fit in Sign and Print Shops looking to improve their finishing solutions. Compare the Royal Sovereign to any other brand of roll laminator and you will see the value and advantages you get when you choose Royal Sovereign.

Royal Sovereign Advantages

- Easy to use digital controls for speed, and includes a stylish rear remote control to conveniently operate from the rear of the unit
- Fast gap adjustment with unique Quick Notch system that allows you to change from closed to 1" gap for mounting in seconds
- Includes rear rewind assembly (\$525.00 value) installed that winds up long runs of laminated materials to help prevent kinking or other damage
- Fast 16.4ft/min laminating speed compared to 14ft/min saves finishing time
- Convenient rear cross cutter for removing laminated documents as they exit the back
- Idler bars add tension and help to eliminate wrinkling while laminating

Royal Sovereign RSC-1402CW

Seal 54EL

The RSC-1402CW is a high quality, economically priced cold laminator specifically designed for users to easily and professionally finish wide format graphics. Built for safety and ease of use, this sturdy machine is perfect for laminating and mounting pressure-sensitive graphics up to 55" wide. The compact design and features make the RSC-1402CW laminator the ideal cold laminator for the Sign Shop. Combine this laminator with your 54 inch inkjet printer and you will be able to provide endless finishing solutions. It has a durable, sturdy frame construction and requires little assembly and minimal maintenance. By adding an optional Front Roll Feed Assembly, automatic roll to roll lamination is made very simple. From lamination to mounting you can count on the RSC-1402CW laminator to give you years of service and performance.
